### Step by Step Checklist

\*\*\*VERY IMPORTANT FOR LEGAL COMPLIANCE- PLEASE READ\*\*\*

Please thoroughly read and refer to this step by step guide as you progress through the process of listing and selling your home.

# Have you considered our Full Service package?

#### 1. THE LISTING FORMS

Print out the listing packet and fill in the forms as completely and clearly as you can.

Blanks where you aren't sure what to put, leave blank, some information we can look up for you.

Do not cross anything out or make changes to the Listing Agreement, if you have questions on it, call us in the office and we would be happy to clarify items for you.

SOC stands for Selling Office Commission. This is the commission you are offering to the Buyer's Agent. It cannot be a range or zero. We strongly recommend 3%.

Marketing Comments are limited to 500 characters including spaces and punctuation. Sign the forms and fax them back to the office at 425-493-6971.

Call to find out how you can get a free listing!

#### 2. PHOTOS

Email .jpg photos to <u>info@america-at-home.com.</u> We can load up to 9, size of about 800 x 600 pixel works best.

#### 3. KEYBOX

If you are *not* renting a keybox from us, please include with your listing forms a letter stating the following: Your reason for not wanting a keybox

You have been advised of the advantages and disadvantages of placing this restriction on your listing Your name, address, and *signature* 

#### If you *are* renting a keybox from us:

Make sure to mark Keybox on the Service Selection Sheet, and provide a credit card.

When the box arrives, put a spare key in the keybox and attach it with a bicycle cable or padlock to a door handle, railing, or garage door where agents can see it.

#### 4. SIGN (AND OPTIONAL SIGN POST)

Display only the America-At-Home Real Estate For Sale sign that we will mail to you. Any sign that says "for sale by owner" or that can be mistaken for a for sale by owner sign cannot be used, per MLS rules and regulations.

A wooden sign post with flyer box can be ordered on the Service Selection Sheet, or you can purchase a metal sign stand from Home Depot. Extra For Sale signs and directional arrow signs are also available and can be ordered if you need them.

#### 5. SELLER'S DISCLOSURE (FORM 17)

We will mail you a Seller's Disclosure Form. This is an important legal requirement on all listings. Fill out in it's entirety, keep a copy for yourself, and fax us a copy at your earliest convenience. You will need to provide this form to interested parties when or before they make an offer. After you receive an offer and provide the buyer a copy, you will need to get their signature on the last page, and fax a copy of that signed page to us also.

### Step by Step Checklist

#### 6. FLYERS AND ADVERTISING

Keep in mind that once your house is listed in the MLS, it is no longer for sale by owner. The words "For Sale By Owner" cannot appear on your flyer or any advertising materials.

If you choose, once your listing is entered in our website, you may find it in the Featured Listings, and use our flyer format button to print flyers.

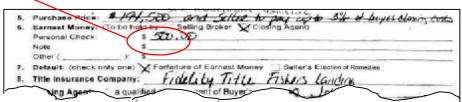

#### 7. WHEN YOU GET AN OFFER

We are here to back you up, if you have any questions about an offer, call us **BEFORE** you sign anything.

Ask the Buyer for a pre-approval letter from their lender

Make sure the front page lists America-At-Home Real Estate as your Listing Office.

**Earnest Money** is an important indicator of a Buyer's commitment level, it should be an appropriate number in the ballpark of 2% of your home's price.

Once signed, fax us a copy of the entire Purchase & Sale Agreement and all addenda, we need this to update your listing's status in the MLS. Per MLS rules, we must have this within 24 hours.

#### 8. INSPECTION

Typical inspection period is 10 days. Buyers will hire an inspector, and they may then ask for you to fix a few things. Once you come to an agreement and signed the Inspection Response Form, fax us a copy, again for compliance with MLS rules, we must update your status within 24 hours.

#### 9. CLOSING

You must notify us when your sale closes so we can mark your listing SOLD in the MLS.

At closing or before, mail back to us our sign and keybox if you have one.

CONGRATULATIONS! You're done!

In most cases, your transaction will be just as smooth as this, and you will be able to handle the details yourself, but if you do have questions, that's what we're here for. Call us before you sign anything and we'll be glad to help. If you do happen to need help and want the assistance of a professional in negotiating a higher price, or if you just want to avoid possible legal pitfalls, consider purchasing one of our consulting options to walk you through the agreement, help you prepare a counter offer, or negotiate with the Buyer's Agent for you. Descriptions of what we offer can be found on the Service Selection Sheet. Also, now that you're ready to move, don't forget that your America-At-Home Agent can also be a valuable resource for you when it comes to shopping for your next home. If you would like for us to show you some homes and help you with your search, please don't hesitate to ask!

Thank you for choosing America-At-Home Real Estate.
